

How to enter as a reviewer:

1. Log in to the journal website using the address <https://journal.zums.ac.ir/>. Then, enter your username and password in the box that is on top of the website.

The screenshot shows the homepage of the Journal of Advances in Medical & Biomedical Research. The journal title and 'Bimonthly' are displayed in a blue header. A navigation menu includes Home, Journal Information, Articles archive, For Authors, Article Submission, For Reviewers, Contact us, and Site Facilities. A search bar is present for site contents and published articles. A red box highlights the login area in the top right corner, which includes the date 'Mon, Jun 19, 2023 [Archive]', a username field containing 'drmorgan', a password field with masked characters, a 'Login' button, and links for 'Remember me', 'Create Account', and 'Reset Password'. Below the navigation, the journal's description is provided, including its ISO abbreviation 'J Adv Med Biomed Res' and a brief history. A journal cover image is shown on the right, featuring the journal title and a Scopus logo. The page also includes social media icons and a 'Journal Information' link.

2. After successful login, your username will be displayed in green. Click on and select the reviewers section.

The screenshot shows the same homepage as above, but with the user 'drmorgan' logged in. The date is 'Wed, Feb 23, 2022 [Archive]'. A red box highlights the user menu in the top right corner, which is open and shows the following options: 'Reviewers section' (highlighted in green), 'Reviewers section (drmorgan)', 'Reviewers section', 'Messaging', 'Private page (User Panel)', 'Edit account settings', 'Logout', and 'Home'. The rest of the page content, including the journal title, navigation menu, search bar, and journal description, remains the same as in the previous screenshot.

3. Now you can see the new reviews in the opened window. By clicking on the start reviewing option, the reviewing form will appear for you. Also, if it is not possible to review, you can select cancel.

The screenshot shows the 'Biomedical Research' journal website. The header includes the journal name and a user profile '[drmorgan]'. The navigation menu contains: Home, Journal Information, Articles archive, For Authors, Article Submission, For Reviewers, Contact us, and Site Facilities. There are search boxes for 'Search site contents' and 'Search published articles'. A row of social media icons is visible below the search boxes.

The main content area is titled 'Articles Review'. It features a 'Please fill in the reviewers information form' section with a 'Review Procedure Quick Help' flowchart: Login → Goto Reviewers Zone → Download Article → Start Reviewing → Edit Review Form → Confirms review form. Below this, a message addresses the reviewer: 'Dear Reviewer: You are in the site review section. You can go to homepage for sending articles or browsing the journal archive. Here you can see three lists of articles. Please read each list comment and follow the instructions. Please send us every question or comment using the contact form.'

The '1- New articles' section explains that new articles are assigned based on the reviewer's specialty. It includes a table with the following data:

#	Review code	Title of the article	Assign date	Subject	Download	Profile	Start	Cancel
1	R6333-6786-1	test123	2022/02/23 Primary review	Clinical medicine				

Below the table, an 'Attachments' section lists a file: 'J Adv Med Biomed Res-attach-8798.docx' with 'No Description', assigned on '2021/11/10', and a size of '11 KB'.
