Review Procedure Quick Help

Login → Goto Reviewers Zone → Download Article → Start Reviewing → Edit Review Form → **Confirming review form**

Dear Reviewer:
You are in the site review section. You can go to homepage for sending articles or browsing the journal archive.
Here you can see three lists of articles. Please read each list comment and follow the instructions. Please send us every question or comment using the contact form.

1- New articles

New articles means the articles newly assigned to be reviewed by you. These articles selected based on your specialty. You can download and study the article by clicking on download button. Then you may click on start button and begin the review process and filling the review form. Also if you feel you can not review this article for each reason, you can click on cancel button to remove the article from the list.

#	Review code	Title of the article	Assign date	Subject	Download	Profile	Start	Cancel
1	R6333-6786-1	test123	2022/02/23 Primary review	Clinical medicine
